IDEA 3184  
Copy 7  
31 May 1966

MEMORANDUM FOR: Chief, IDEALIST Division, OSA

SUBJECT : IDEALIST Project Headquarters Mission  
Directive, IDEALIST Detachment "H",  
16 May 1966

It is requested that Annex E of subject Directive  
be revised to include paragraph 8 as follows:

"8. Airborne Electronics

a. Installation and maintenance of conventional  
electronic equipment in the aircraft.

b. Installation, operation and maintenance of  
ELINT and associated equipments.

c. Installation, operation and maintenance of  
the Data Reduction Systems.

d. Maintenance of Conventional Radio Equipment:

(1) All communications equipment will be  
operated and maintained according to standard  
operation procedures and good engineering practices.

e. ELINT, Communications and Navigation Systems:

(1) System III, VI, IX collection will be  
installed and maintained at a level commensurate  
with requirements. Bench checks, pre-flight  
and post-flight technical inspections will be  
performed when applicable.

(2) Communications and navigation systems  
will be maintained to insure optimum flight safety. 25X1A
